

Only the first sentence of my response below, addressing the question, What is your take on the impeachment proceedings that begin this week in the U.S. Senate?, was printed by the H-T. The cartoon and editorial column were not supportive of the impeachment trial, to say the least.

As Martin Luther King, Jr., said, "The time is always right to do what is right." The recent H-T editorial cartoon portraying Trump as a Christ figure, along with the accompanying editorial from the Pittsburgh Post-Gazette (Feb. 4), were as repugnant and insulting as anything I've ever seen on its pages.
